The village hall bar is manned by volunteers so their availability will need to be confirmed if required. The bar operates for 4 hours, normally 7:30 to 11:30 pm. Other times by agreement.

There is a bar reservation fee of £55 and the hall keeps the profits.

The bar provides glasses for the drinks they sell but not for hirers' own drinks.

There are about 80 tea cups, saucers and small side plates suitable for tea, coffee and sandwiches or cake. There is a small selection of other unmatched cutlery and crockery that hirers are welcome to use but insufficient for full place settings.

Cutlery, crockery and glasses can normally be provided by caterers or they can be hired independently.

Car Parking

The car park holds up to 40 cars – overflow parking on the recreation field.
